Subject: RIN 1210-AB32

To Whom It May Concern:

I vehemently oppose the proposed rule to take away the ability for self-directed IRA individuals to use stock options in their IRA's.

I use covered calls extensively in order to increase my income and to conservatively limit risk in my IRA.

It would appear that the DOL staff knows nothing about the full range of options available to investors.

Again, please do not allow this uninformed rule to be instituted.

Respectfully, Submitted,
Anthony W. Kashouty
